ECZEMA 25 YEARS

Limb Peeled and Foot Was Like Raw Flesh-Had to Use Crutches, and Doctors Thought Amputation Necessary - Montreal Woman Writes of Cure Seven Years Ago.

BELIEVES LIFE SAVED BY CUTICURA REMEDIES

"I have been troated by doctors for twenty-five years for a bad case of eczena on my leg. They did their beet, but failed to cure it. My doctor had advised me to have my leg out off, but I said I would try the Cuticura Remedies first. He said. "Try them if you like, but i do not think they will do any good." At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches. I bought a cake of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Pills. After the first two treatments the swolling went down, and in two months my leg-was cured and the new akin came on. The doctor could not believe his own eyes when he saw that Cuticura had cured me and said that he would use it for his own patienta. I used two cakes of Cuticura Soap, three boxes of Ointment, and fre bottles of Resolvent, and I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. I have lots of grand-children, and they are frequent users of Cuticura, and I always recommend it to the many people whom my business brings to my house every day. Mrs. Jean-Baptiste Ronaud, clairvoyant, 277, Mentana Bt., Montreal, Que, Feb. 20, 1907."

THE BOYS REINSTATED.

Faculty Releats Upon Getting Satisfactory Petition From Students.

[Special to The Times Disnatch.]

WARE FOREST. N. C., October 22.—
The difficulty between the students and faculty, which began week before last, when five men were suspended thirty days for making freshmen dence, has at last been settled. The action of the faculty in reinstating the boys was probably due to the petition presented by one of the student committees, the last clause of which stated that the signers of the petition agreed to report to the faculty the suspended boys if caught engaging in any form of hazing in future, provided they were reinstated. Much satisfaction is mainfested by the students since the boys were given another chance to redeem themselves.
